Resolution #031218A

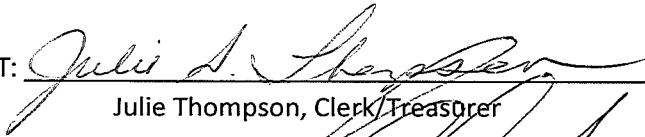

Action Plan for Subcontract Language Compliance

LET IT BE KNOWN TO ALL PERSONS of the Village of Radisson that the Village has an Action Plan for Subcontract Language Compliance for Future CDBG Projects:

NOW THEREFORE BE IT RESOLVED that within available resources of the Village of Radisson, the Village will work to ensure prime contractors include the required contract language in all sub-contracts for any future CDBG projects by requiring a statement from each prime contractor with each pay request stating whether they did or did not use a sub-contractor during the period. The Village will require a copy of the sub-contractor contracts at that time to ensure the required language is part of the sub-contract. The Village understands that all sub-contracts must be on file with the Village and verified as compliant with federal CDBG regulations.

ADOPTED this 12th day of March, 2018
